(29 January, 2026)**
13. **Road Safety Awareness Week**
14. **Grade 2 Presentation – Learning Through Expression
(30 January, 2026)**

Happy New Year 2026

The dawn of 2026 brought renewed hope, enthusiasm, and positivity to Vidya Valley School. With warm hearts and bright smiles, we welcomed the New Year with wishes for health, happiness, and success for our students, staff, and parents. January symbolizes fresh beginnings and new aspirations, and our school community embraced it with determination to achieve greater milestones. The spirit of unity, learning, and excellence continues to guide us as we step into another promising year. May this year open doors to new opportunities, inspire innovative thinking, and strengthen our commitment to holistic education. Here's to a year filled with achievements, growth, creativity, and countless memorable moments together. ✨🌸

Online Classes During Extended Winter Break

Due to the extended winter break announced in view of the weather conditions, Vidya Valley School ensured uninterrupted learning through well-structured online classes. Teachers efficiently adapted digital platforms to keep students engaged and academically connected from the safety and comfort of their homes. Interactive sessions, assignments, discussions, and doubt-clearing opportunities helped maintain continuity in learning. Despite the physical distance, the bond between teachers and students remained strong through virtual classrooms. Parents extended immense cooperation, ensuring students attended classes regularly and completed their tasks responsibly. This smooth transition once again highlighted our preparedness for blended learning and our commitment to academic excellence under all circumstances. Learning truly never stops at Vidya Valley School. 📖📚

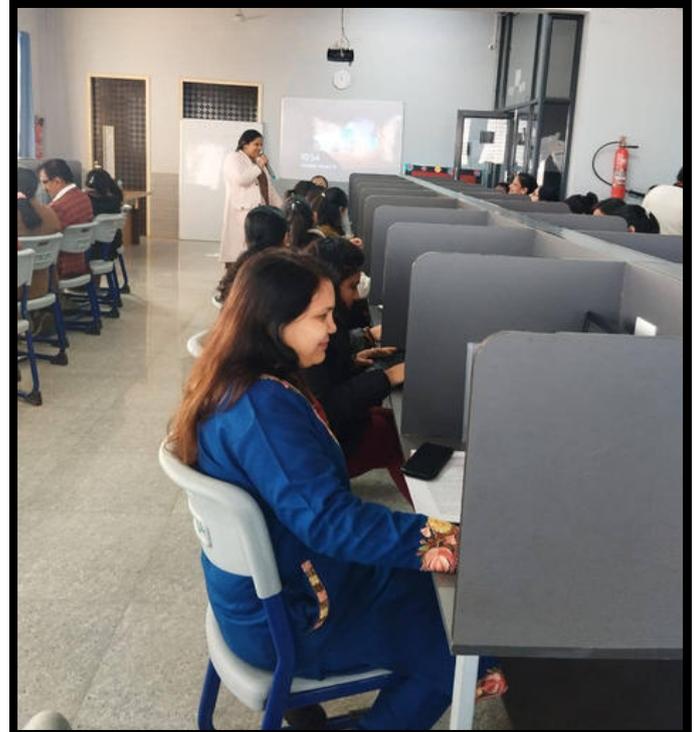

Skating Champions at UDAAN Championship (9 January , 2026)

Proud moments filled the air as our talented skaters showcased exceptional performances at the All India Open Roller Skating Championship – UDAAN – held in Khanna, Punjab. Demonstrating determination, discipline, and sporting spirit, our students brought laurels to the school. Saiaashvi Joshi and Aadhya Thakur shone brilliantly with two Gold medals each, while Saesha Sharma secured one Gold medal. Priya Rana and Jaskirat Singh proudly earned two Silver medals each, and Harshit Kamboj added another Silver to the tally. Their achievements reflect hard work, professional training, and unwavering dedication. We congratulate our young champions and their mentors for this remarkable success. Their victory inspires all students to pursue excellence with passion and perseverance. 🏆🌟

CBSE Training Programme on Artificial Intelligence (11 January, 2026)

Empowering educators for the future, our teachers actively participated in a CBSE Training Programme focused on the Use of Artificial Intelligence in Classrooms. The enriching session provided valuable insights into integrating AI tools into teaching practices for enhanced student engagement and personalized learning. Educators explored innovative assessment techniques, digital resources, and practical AI applications to make lessons more interactive and future-ready. This initiative strengthened teachers' digital competencies and broadened their understanding of technology-driven education. At Vidya Valley School, we believe in continuous professional development to ensure students receive the highest standard of modern education. The training was truly transformative, equipping our faculty with skills aligned with 21st-century learning needs. 🚀📊

Lohri Celebration (13 January, 2026)

The joyous festival of Lohri was celebrated with great enthusiasm and cultural vibrancy. Due to winter break Virtual Lohri Celebration was held with the students. The students sang traditional folk songs, did lively dance performances. Students dressed in colorful Punjabi attire, adding charm to the celebration. The significance of Lohri, marking gratitude for harvest and prosperity, was explained to students to deepen their cultural understanding. The celebration fostered unity, happiness, and appreciation of our rich traditions.

School Reopened (14 January, 2026)

After the winter break, the school reopened on 14 January, filling the campus once again with laughter and cheerful energy. Students returned refreshed and ready to resume their academic journey with renewed enthusiasm. Morning assemblies, classroom activities, and interactions revived the vibrant spirit of school life. Teachers warmly welcomed students and guided them to refocus on their academic goals. The reopening marked a fresh phase of learning, growth, and new achievements. Students eagerly shared their holiday experiences, strengthening friendships and camaraderie. The familiar rhythm of lessons, activities, and co-curricular engagements brought a sense of belonging and excitement, reaffirming that school truly is a second home for our learners. ❤️🌟

Indian Army Day Celebration (15 January, 2026)

Saluting the courage, discipline, and sacrifices of our brave soldiers, Indian Army Day was celebrated with patriotic fervor. Students participated wholeheartedly in a Poster Making Competition, creatively expressing their gratitude and pride for the defenders of our nation. A Quiz Competition further deepened their knowledge about the Indian Army's history, valor, and achievements. The celebration instilled values of patriotism, respect, and national pride among young minds. Through these activities, students learned the importance of dedication and service to the country. The day served as a reminder of the sacrifices made by our real heroes who safeguard the nation selflessly. The spirit of "Jai Hind" resonated proudly across the school.

Scratch Coding Activity (21 January, 2026)

Students enthusiastically explored the fascinating world of block-based coding through an engaging Scratch activity session. Young learners enjoyed choosing vibrant sprites, selecting creative backdrops, and making characters move using simple coding commands. The hands-on experience introduced them to computational thinking in a fun and accessible manner. This interactive session enhanced creativity, logical reasoning, and problem-solving skills. Students discovered that coding is not complicated but exciting and imaginative. Learning technology at an early age empowers children to become confident digital creators rather than passive users. The activity marked another important step toward nurturing innovation and preparing future-ready minds equipped with essential 21st-century skills. 🌟👩🎓

Republic Day Poster Making & Celebration (24 January, 2026)

In preparation for Republic Day, students actively participated in a vibrant Poster Making Activity expressing national pride, unity, and constitutional values. With tricolour themes and inspiring messages, their artwork reflected deep respect for the nation. The Republic Day celebration that followed was filled with patriotic performances, speeches, and cultural presentations. Students highlighted the importance of democracy, freedom, and fundamental rights with great confidence. The event fostered responsibility and awareness about our duties as citizens of India. The atmosphere was filled with pride and enthusiasm as the tricolour spirit shone brightly. It was a meaningful celebration that strengthened patriotic values among students 🎉

NELTAS Olympiad Achievers

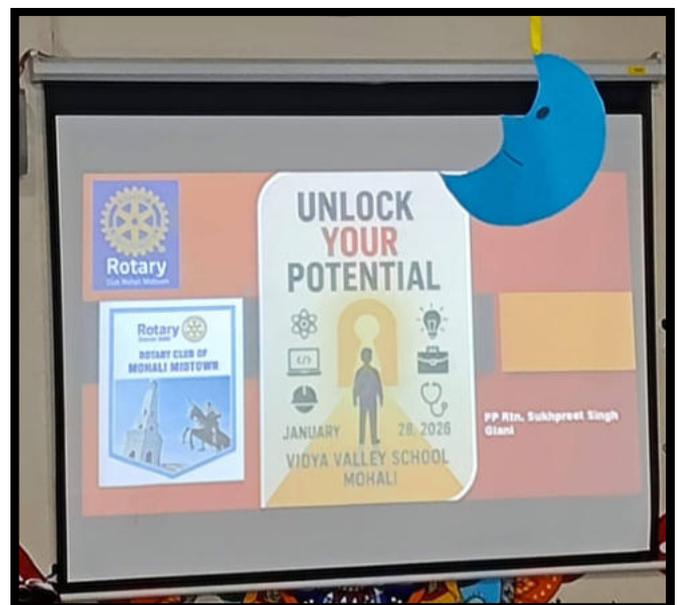

(24 January, 2026)

Our Rising Stars brought immense pride by excelling in the NELTAS Olympiads – M-CAT, SCAT, and E-CAT. Their dedication, intelligence, and perseverance earned them well-deserved medals and recognition. These achievements reflect focused preparation and consistent effort supported by teachers and parents. The Olympiads provided a platform for students to showcase analytical thinking and subject mastery at a competitive level. Celebrating these young achievers motivates others to aim higher and embrace challenges confidently. We applaud their determination and commitment to excellence. Such accomplishments reaffirm our mission of nurturing academic brilliance and holistic development. Congratulations to all winners for shining bright and setting inspiring examples. ★🏅

Career Counseling Session (28 January, 2026)

An inspiring career counseling session titled “Designing Your Future: Actionable Steps to Success” was successfully conducted for our students. The session guided learners on identifying their strengths, setting goals, and planning strategically for career growth. Valuable insights on motivation, self-discipline, and skill development empowered students to make informed choices about their future. The interactive discussion encouraged clarity, confidence, and ambition among attendees. Students gained practical understanding about emerging opportunities and the importance of continuous learning. Such sessions play a vital role in shaping responsible, self-aware individuals prepared for life beyond school. It was a highly impactful and motivating experience for all participants. 🚀📈

Arduino Uno Workshop with mBlock (29 January, 2026)

Innovation came alive during the Arduino Uno Workshop conducted using the mBlock platform. Students explored block-based programming while learning to interface hardware components in an engaging and practical manner. The workshop made coding simple, visual, and exciting, encouraging curiosity and experimentation. Participants developed logical thinking and problem-solving skills while understanding real-world STEM applications. The combination of software coding and hardware interaction sparked enthusiasm among young innovators. This hands-on learning approach strengthens conceptual clarity and builds technical confidence. The session was truly an exciting milestone in promoting experiential learning and preparing students for future technological advancements. 🌟🔧

Road Safety Awareness Week

Promoting responsible citizenship, our school observed Road Safety Awareness Week with impactful activities. Students of Grades 4 and 5 presented a thought-provoking presentation highlighting traffic rules, safety precautions, and responsible road behavior. Through expressive dance performances and a powerful Nukkad Natak, they conveyed important messages about helmet use, seat belts, traffic signals, and pedestrian safety. Their performances creatively emphasized the value of life and discipline on roads. The awareness drive aimed to instill safe habits at a young age and spread the message within families and communities. The initiative successfully sensitized students about their role in ensuring road safety and civic responsibility.

Grade 2 Presentation – Learning Through Expression (30 January, 2026)

Grade 2 students confidently presented an engaging session on “Means of Communication.” With colorful charts, expressive voices, and enthusiastic participation, they explained how people connect—from traditional letters and telephones to modern digital tools. The young learners showcased impressive understanding and clarity while speaking before their peers. This activity not only strengthened their subject knowledge but also enhanced communication skills, stage confidence, and creativity. Such experiential learning opportunities help children become expressive and self-assured individuals. The presentation was both educational and heartwarming, reflecting the joyful spirit of early learning at Vidya Valley School. It was truly a delightful and enriching experience for everyone present. 🌍📺
